

Restorative Justice: Data Disclosure Form

RJ Case Reference	
-------------------	--

Please find below the names, dates of birth and addresses of participants and supporters being considered for a Restorative Justice Conference.

Please use this form to disclose to Facilitators any *relevant* information regarding the suitability and risk of wrongdoers, harmed persons and supporters in engaging in the RJ process, including coming into contact with each other and staff from any of the agencies delivering RJ.

It is essential that risk information is gathered and shared between the Facilitators, SSPT, Prison Service, Police, Victim Support, Sussex Pathways and any other agencies involved in order to prevent avoidable risk issues emerging which could lead to safety concerns or re-victimisation.

Relevant information is defined as but not limited to any previous convictions, warning markers, intelligence, engagement with statutory agencies, disability, mental health, learning difficulties or any other factor that may affect the Facilitator/s decision to proceed.
