## Funding Network

The Police and Crime Commissioner holds a statutory responsibility to commission local victim and witness support services.

The Safe:Space Sussex Funding Network has been specifically designed to ensure the services the Commissioner commissions for victims and witnesses of crime are the best they can be as promised in the Police & Crime Plan.

The Funding Network was launched in February 2018 for provider sign up. There are currently a total of 27 'approved providers' on the network.

The funding window opened for approved providers to bid into on 31<sup>st</sup> May 2018. Bids were welcomed for funding up to 31<sup>st</sup> March 2020 under six priority areas:

- Young victims of crime
- Elderly victims of crime
- Family members of victims of crime
- Modern slavery
- Domestic abuse and sexual abuse step down services
- Increasing capacity, access and skill

After an assessment procedure took place, the following projects were marked as successful and awarded funding:
